Between Christmas and New Year's Eve, we also have the possibility to deliver shipments to your customers. Since the loading volume is limited during this time, we ask for a separate coordination with your known contact person from our Sales or Customer Service Team.

In 2025, our regular departures for LTL and FTL will start on Thursday, 02.01.2025, our groupage departures will start on Monday, 06.01.2025.

However, we ask that you take the public holiday of the Three Kings into account in your planning. As a result, there is a driving ban on this day in the federal states of Bavaria, Baden-Württemberg and Saxony-Anhalt. This also applies to Austria, Poland, Sweden, Finland, large parts of Italy, Spain, Slovakia and Croatia.

If you have any questions in advance about our timetable, please feel free to contact us at any time.

We wish you a nice autumn time.

Best regards,

Yours sincerely
